CREMATION PACKAGES

At Brown Legacy Memorial, we understand that losing a loved one is a deeply personal and emotional experience. We aim to provide compassionate, dignified, and transparent care without unnecessary complications or pressure. We are here to help you through this difficult time with thoughtful guidance and support.

When you select one of our “Cremation Packages”, you are choosing a comprehensive and complete solution tailored to your family’s needs.

We recognize that many families may need cost-conscious options. Our packages are thoughtfully designed to provide value while ensuring quality care. Additionally, each package is carefully crafted to include essential services and items that honor your loved one’s memory.

Important Details:

- The prices listed in our packages reflect discounted rates compared to our standard General Price List and include everything required for a complete service.
- If you prefer to customize your service, you are welcome to select individual options from our General Price List. However, please note that modifications to a package will result in an adjustment of the discount, changing the final price.
- If a casket or cremation container is purchased from another vendor, our packages will not apply, and services will be selected line by line from the General Price List.

Note: Sales tax, vault fees, and cemetery costs are not included in package pricing.

Sales Tax Information: Lucas County: 7.75%

At Brown Legacy Memorial, our priority is to provide your family with peace of mind by offering options that are affordable, compassionate, and culturally sensitive.
